Be It Enacted by the Legislature of the State of Florida:

12 13

Section 1. Subsection (1) of section 472.0101, Florida Statutes, is amended to read:

15 16

14

472.0101 Foreign-trained professionals; special examination and license provisions.-

17 18

19

20

(1) When not otherwise provided by law, the department shall by rule provide procedures under which exiled professionals may be examined under this chapter. A person is eligible for the examination if the exiled professional:

21 22

(a) Immigrated to the United States after leaving the person's home country because of political reasons, provided the country is located in the Western Hemisphere and does not have diplomatic relations with the United States;

24 25

23

(b) Applies to the department and submits a fee;

2.6 27

(c) Was a resident of this state immediately preceding the person's application;

28 29

(d) Demonstrates to the department, through submission of documentation verified by the applicant's respective

professional association in exile, that the applicant was graduated with an appropriate professional or occupational degree from a college or university. However, the department may not require receipt of any documentation from the Republic of Cuba as a condition of eligibility under this section;

- (e) Lawfully practiced the profession for at least 3 years.

  Such practice of the profession may be substituted for the professional or occupational degree requirement under paragraph (d);
- (f) Prior to 1980, successfully completed an approved course of study pursuant to chapters 74-105 and 75-177, Laws of Florida; and
- (g) Presents a certificate demonstrating the successful completion of a continuing education program which offers a course of study that will prepare the applicant for the examination offered under subsection (2). The department shall develop rules for the approval of such programs for the board.
- Section 2. Subsection (2) of section 472.013, Florida Statutes, is amended to read:
  - 472.013 Examinations, prerequisites.-
- (2) An applicant shall be entitled to take the licensure examination to practice in this state as a surveyor and mapper if the applicant is of good moral character and has satisfied one of the following requirements:
- (a) The applicant has received a bachelor's degree, its equivalent, or higher in surveying and mapping or a similarly titled program, including, but not limited to, geomatics, geomatics engineering, and land surveying, from a college or university accredited by an accrediting body recognized by the

requirement may not be construed as experience in responsible charge.

- (c) The applicant has received an associate degree and has a specific experience record of at least 6 years as a subordinate to a professional surveyor and mapper in the active practice of surveying and mapping, at least 5 years of which shall be of a nature indicating that the applicant was in responsible charge of the accuracy and correctness of the surveying and mapping work performed. The applicant must have completed at least 25 semester hours from a college or university accredited by an accrediting body recognized by the United States Department of Education in surveying and mapping subjects or in any combination of courses in civil engineering, surveying, mapping, mathematics, photogrammetry, forestry, or land law and the physical sciences. Work experience acquired as a part of the education requirement may not be construed as experience in responsible charge.
- (d) The applicant has received a high school diploma or its equivalent and has a specific experience record of at least 6 years as a subordinate to a professional surveyor and mapper in the active practice of surveying and mapping, at least 5 years of which shall be of a nature indicating that the applicant was in responsible charge of the accuracy and correctness of the surveying and mapping work performed. The applicant must have completed at least 25 semester hours from a college or university accredited by an accrediting body recognized by the United States Department of Education in surveying and mapping subjects or in any combination of courses in civil engineering, surveying, mapping, mathematics, photogrammetry, forestry, or

18-01580A-24 20241786

land law and the physical sciences. Work experience acquired as
a part of the education requirement may not be construed as
experience in responsible charge.

- (e) The applicant holds a valid license to practice surveying and mapping in another state, jurisdiction, or territory, and has at least 2 years of experience in the active practice of surveying and mapping, which experience is of a nature indicating that the applicant was in responsible charge of the accuracy and correctness of the surveying and mapping work performed.
- (f) The applicant has received a registered apprenticeship certificate in surveying and mapping after completing a registered apprenticeship program approved by the Department of Education and has a specified experience record of at least 2 years as a subordinate to a professional surveyor and mapper in the active practice of surveying and mapping, which experience is of a nature indicating that the applicant was in responsible charge of the accuracy and correctness of the surveying and mapping work performed. Work experience acquired as a part of the education requirement may not be construed as experience in responsible charge.

Section 3. This act shall take effect July 1, 2024.
